Dear Sir:

Replying to your communication of the 18th. re. excursion of Sunday Schools to Old Orchard Beach I have to say that I do not think it is a fair thing to ask us to take fromBrownfield the same rate as quoted from other stations and am inclined to think our rate from Brownfield should be for adults $1.15 especially as 10 per cent is to be allowed for advertising, and I also very much regret that I cannot accedeto your request to make children's rate include all of 15 years of age and under. Even if this were in my power I am afraid the Boston & Maine would not consent. This is one of the rules which is strictly adhered to.

Yours very truly,

F. E. Boothby
